Important Notes:

West Midland League A & B matches...

- > The WM League dates are **extremely important League Matches** that affect the ranking of the Club.
- > Swimmers and parents are particularly asked to keep these dates free in the year, so that we can enter our best teams.
- > Two full Teams are entered, so please check with Mr Thain about likely selection, if you are in any doubt.
- ? Meets marked with question marks are annual fixtures expected on or around the dates indicated. To be confirmed.
