

During the past two years the scope of the Club has increased greatly and I have felt for some time that a Club newsletter or bulletin would be a worthwhile project. Mr.D.Cull has very kindly offered to produce one and I shall be compiling it. We hope that this will keep members far better informed on Club matters than the rather random 'word of mouth' method used heretofore ! In future there will be no excuse for the polo players not knowing how the Club did in the County Age-Group, or for the young swimmers being unaware of our position in the Polo League Tables, and everyone should know about the Dinner/Dance!

Richard Sheasby, Steve Hayes, Mike Fearon and Dave Wakeling took first place for the Club in the Warks Junior Team Race at Livingstone Road on 8th August.

Steve Hayes, Stephen Rogers, David Brook, Martin Edwards, Andrew Wolf, Dave Wakeling, Stephen Assinder and Mike Fearon brought back second place medals from Luton, 5th September 1970, after swimming in the Midland District Boys' Club Team Championship. This event consists of individual & team races. It was won by Orion, and at the conclusion of the finals we were equal second with Nottingham Northern. This necessitated a swim-off - 8 x 1 len. F/S - which was won by Camp Hill. Martin Edwards set a new Club record for the Butterfly.1.8.2.

THE SPONSORED SWIM,

This really was a marvellous effort - can Mr.Hartland have all payments in by the end of the month ?

CLUB VESTS.

Martin Hubbard is to be congratulated on the efficient way in which he has dealt with this matter. I understand that he will be ordering some more as soon as there is sufficient demand.

110. Br. Dickie Hall. 77.0. 110. Fly. Martin Edwards. 68.2.

Martin beat Rodney Hazlewood's (now on the way to India) record by 1/10th of a second. It's time all these were beaten. I'm sure that Tony Bishop who has returned from two years at an American University and from being assistant coach at Houston, would agree. He still holds our 200 yds record - 2.4.6. and the 400 yds - 4.30.7.

Junior Records next issue.

POLO RESULT.

Camp Hill 10.      City Police 11.

Quite a good score, but we could have won.

We must take our chance if we are to earn promotion to Midland League by the end of next season.
